

Creative Profile

KWIZERA ALEX

Kwizera Alex aka Kwiz Era, A Ugandan painter and illustrator with an unmatched freedom in manipulation of Medium. He paints both digitally and traditionally in watercolors, acrylics, oil pastels, draws in charcoal and a whole range of varieties of media.

His work has grown to be famous through his projects here and abroad as political and social commentary, painting live at events, execution of commission portraits, children stories and comics, illustration

projects in Uganda, Rwanda, Finland, Canada, West and Central Africa and group community mural art projects for charity and on commission, to mention but a few. Over the years, he has featured in many group exhibitions and has finalized his Solo Exhibition under the theme; CONSCIOUSNESS, [Man and Nature] being the first in the series of shows under the same theme.

Highly inspired by human form and expression, nature, philosophy, spirituality, pan africanism and many more aspects of people's livelihood. A young maestro of his time. He owns a studio in Bukoto 2, where he has mentored many, held industrial and other trainings for the young and the enthusiastic that wish to learn from him
